Hello, Ward 2 from Regional Councillor Lee!

I've had the privilege of sitting on the Ajax Public Library Board for the past seven years. In that time, we've seen the creation of the Audley branch, the inception of our Makerspace at the McLean Community Centre and much more! With a FREE Library Card, you'll have access to:

- Thousands of **eBooks, audiobooks, newspapers and magazines.**
- LinkedIn Learning:** Access to thousands of hours of professional workshops.
- Solaro:** Study the Ontario curriculum with resources for grades 3 to 12.
- GoPro Kits.**

Hello, Ward 2 from Councillor Henry!

Thanks to road safety concerns you've raised, our February 2025 motion resulted in new all-way stops at Williamson & Hazeldine, Tozer Crescent and Hollier & Cantwell. Meanwhile, the Harwood & Haskell intersection is slated for a four-lane expansion and a traffic light installation, pending approval in the 2026 Mayor's Budget.

I've heard loud and clear from families that Castlefield students deserve a home school within walking distance. Until that's achieved, I'm advocating to the Durham District School Board for boundary reviews to reduce travel time. Read my letter at [ajax.ca/Council](https://www.ajax.ca/Council).

Construction updates

Over the next year, Ward 2 will see the beginning of two major road construction projects meant to improve traffic flow and ensure safer, more durable roads.

Harwood Avenue*

- Slated to begin construction in the summer of 2026, Harwood will be expanded to two lanes from Woodcock Avenue and Taunton Road.
- New signalized intersection at Haskell Avenue and Grandview Kids.
- New roadway lighting.

Rosland Road*

- Expanding Rosland Road to two eastbound and two westbound lanes from Lake Ridge Road to Westney Road.
- Slated to begin construction in the summer of 2026 (pending land acquisition and relocation of utilities).

*Pending Budget approval
